The President determined a quorum was present. The Executive Director confirmed.

The meeting was advertised on the Board's website, www.dentalboard.org, and on the Secretary of State's website, www.sos.alabama.gov, in compliance with the Alabama Open Meetings Act.

Prior to the start of the scheduled agenda, Dr. Gray requested to make a statement to the Board and on the record. He stated that he was not guilty of the events concerning his interference with several previous investigations that were discussed in the board meeting on March 8, 2024. Dr. Gray requested that his specific statement be included in the Board's minutes: *"I do not admit guilt relative to the narrative of accusations made against me as presented by our executive director at the end of the BDEA meeting in March."*

The President asked for a review of the Board Minutes from March 8, 2024. Dr. McIlwain made a motion to approve the minutes as presented. Dr. Williams seconded the motion. The minutes were approved by unanimous consent.

Dr. Williams presented the Financial Report for February 2024. Dr. Jones made a motion to accept the report as presented. Dr. Gray seconded the motion. The motion was approved by unanimous consent.

Director Strickland presented a request from Dr. Jeff Beasley asking to amend his consent order. Dr. Beasley entered into a Consent order 22 years ago that permanently revoked his privilege to hold an Alabama Controlled Substance Permit. The Board reviewed the consent order for context. After a brief discussion, no motion to amend the consent order was offered. The consent order will remain in effect as written.

Director Strickland presented a request by Dr. Robert Pfeffle to recognize certain online live-interactive continuing education training as meeting the current "in-person" requirement. After

reviewing Dr. Pfeffle's request, Dr. McIlwain discussed several examples of online training that require the audience to interact with the presenter during the training and voiced his opinion that those types of courses could be viewed as "live" or "in-person". After a discussion as to how online live-interactive training could be monitored as meeting Dr. McIlwain's example, Director Strickland advised the Board that the staff would have a revised continuing education board rule draft available for the Board's review at the next board meeting on May 10, 2024.

Director Strickland asked the Board to review the revised board rules from the Public Hearing and determine if any final changes were needed. After a brief discussion, Dr. Jones made a motion to approve the proposed revisions to the Alabama Administrative Code, r. 270-X-2-.07, r. 270-X-2-.21, r. 270-X-2-.24, r. 270-X-3-.07, and 270-X-5-.09, as presented in the Public Comments Meeting. Dr. McIlwain seconded the motion. The motion was approved by unanimous consent. Director Strickland advised that the approved changes would be published and would take effect in June 2024. The staff will publish the revised board rules on the Board's website, as well as emailing them out to our licensees.

Director Strickland presented a letter from Dr. Tom Willis regarding dental and dental hygiene interstate compacts. His concern regarding the American Association of Dental Boards (AADB) version of an interstate compact is the exclusion of CRDTS and SRTA as approved testing agencies. Dr. Jones asked the board members to continue their review of the interstate compacts to remain informed of the ongoing changes. Director Strickland reminded the Board that they will be asked to submit a more formal response to interstate compacts in next year's legislative session at the request of the lieutenant governor's office.

Director Strickland requested that Dr. Jones submit the names of three (3) former board members needed to sit for an upcoming investigative case review and hearing, if necessary, after several current board members were directed to recuse themselves. Dr. Jones advised that she contacted the following former board members who confirmed that they would be available: Dr. Clyde Yarbrough, Dr. Bill Chesser, and Dr. Sam Citrano. Dr. Williams made a motion to approve the former board members as submitted by Dr. Jones. Dr. McIlwain seconded the motion. The motion passed with unanimous consent with the dental hygiene member abstaining.

Director Strickland requested the Board's approval to enter into a contract with the Canvas Online Teaching/Learning Management System. Currently, board staff uses the free/limited version of Canvas in the ADHP and in Licensing (jurisprudence exams). The full version would increase accessibility and allow the students in the ADHP to have additional resources during their program. The initial contract would be for \$14,200.00. After the initial implementation, the next 2 years would cost \$5,796.00/per year. Ms. Alexander made a motion to enter into the contract as described. Dr. Williams seconded the motion. The motion passed with unanimous consent.

Director Strickland announced that staff member, Ms. Gina Latham, has been promoted to the newly created position of ADHP-Senior Coordinator. The Board congratulated Ms. Latham and encouraged her to continue her work with the ADHP. Director Strickland advised that interviews were underway to hire an ADHP-Coordinator that will work with Ms. Latham and Dr. Basma (ADHP-Educational Director).

HB69 (PDMP delegation authority) and HB70 (Special Volunteer License; Fee/renewal for Special Volunteer License; increase in maximum fee for dental hygiene renewal) were sponsored by Representative A.J. McCampbell and appear to be moving with little to no opposition.
- Director Strickland advised that he received a request from the lieutenant governor's office outlining the Board's opposition to the Dental/Dental Hygiene Interstate Compact sponsored by the Council of State Governments (CSG). As part of this request, the Board was asked to develop an alternative to the CSG's interstate compact. Mr. Dettling and Director Strickland drafted a response to the request and submitted it to the lieutenant governor's chief of staff for review.

applications for the 2024-2025 ADHP. Dr. Sims requested that a reminder email be sent to all dentists re-stating the application deadline is April 30, 2024. were heard and adjudicated by the Board at the December 8, 2023 board meeting. Those cases were the result of a board audit of continuing education. He advised that a total of 118 licensees that failed their audit have not complied with the Board's requirement of paying a non-disciplinary fine and completing the outstanding continuing education hours. Director Strickland advised that most of the licensees involved in those cases have either retired or allowed their dental/dental hygiene licenses to expire in lieu of meeting the Board's requirements. Of those that have not completed the requirements, a total of 11 still maintain active licenses.

Dr. Pischek called the meeting back to order at 12:00 p.m.

Dr. McIlwain spoke about medical marihuana and the potential impact it will have on licensees. The discussion spoke on how licensees would handle patients that are consuming medical marihuana, as well as licensees who are personally prescribed medical marihuana by their physician. Dr. McIlwain referred to current data showing the impact on fine motor skills. He suggested that the Board consider addressing the issue through a board rule that, potentially, could be connected with the current wellness committee protocols. The staff were directed to draft language for a board rule to address the issue.

Dr. Jones suggested the board members offer a one (1) hour ethical considerations in dentistry training session at the Gulf Coast Dental Conference in June. She advised that the Alabama Dental Association (ALDA) has offered space at the venue for Sunday, June 23, 2024. The board members were in general agreement and offered to participate with Dr. Jones. Director Strickland advised that he would ensure that the training is properly noticed to comply with the Alabama Open Meetings Act.

Director Strickland presented his Executive Director's Report.

- Building renovations are continuing. The concrete floors have been repaired, sealed, and stained. The contract for Phase III has been signed and is moving through the state's

process. The contractor who won the bid has contacted board staff and indicated that they are ready to begin the work as soon as the state completes their process.

- The Sunset Review and Legal Compliance Audit are ongoing.
- At the request of the Board, all board opinions that were posted on our website have been pulled and will be submitted to the Board for review at the May 10, 2024 board meeting. The goal is to place the opinions into existing board rules.
- The enforcement case load has increased significantly in the past 2-3 years and continues to set records. Director Strickland advised that over 100 licensees failed to renew their license and/or permits this year. He asked the Board for any suggestions that may reduce these types of cases as they are both concerning and easily avoidable by the licensees. The board agreed that the level of communication by the board staff is more than adequate through emails and posts on our website.
- Audits by PDMP are ongoing, but the board staff have seen a significant decrease in submissions to our agency.
- Director Strickland will schedule a work/training session for board members after the May 10, 2024 board meeting to cover enforcement case reviews, investigative revisions, and hearing protocols.

Dr. McIlwain made a motion to adjourn the meeting. Dr. Jones seconded the motion. It was approved by unanimous consent.

Dr. Pischek adjourned the meeting at 1:00 p.m.
