Guests included: Dr. G. Robin Pruitt, Jr.; Jessica Robertson, RDH; Dr. Sonya White; Dr. Mollie Helf; Dr. James Sanderson; Dr. Baker Chambliss; Dr. H. Grady Swicord; Ragan Ingram – Windom Galliher; Dr. John Bennett; Johnny Gray, Esq.; Tyler Mathews; Michelle Huebner, Executive Director – ALDA.

The President determined a quorum was present. The Executive Director confirmed.

The meeting was advertised on the Board's website, www.dentalboard.org, and on the Secretary of State's website, www.sos.alabama.gov, in compliance with the Alabama Open Meetings Act.

The President asked for a review of the Board Minutes from July 12, 2024. Ms. Alexander made a motion to approve the minutes. Dr. Jones seconded the motion. The motion was approved by unanimous consent.

Dr. Williams presented the Financial Report for June 2024. Dr. Sims made a motion to accept the report as presented. Dr. Jones seconded the motion. The motion was approved by unanimous consent.

Dr. Gray requested permission from Dr. Pischek to read a prepared statement. Dr. Pischek agreed. Dr. Gray read his statement aloud and provided a written copy to be included in the board minutes (attached).

Director Strickland invited Mr. Ingram to address the Board regarding legislative updates. He commented on the upcoming Legislative Sunset Committee Hearing scheduled for August 22nd and answered questions from the Board regarding other agencies going through the sunset process.

Director Strickland requested the Board review several pending proposals for administrative codes (board rules) and, if the members were ready, to vote to approve or edit the proposed changes.

-
- Alabama Administrative Code, r. 270-X-4-.04 “Mandatory Continuing Education for Dentists/Hygienists”
 - Dr. Jones made a motion to accept the proposed changes as presented. Dr. Sims seconded the motion.
 - During the discussion, Dr. McIlwain requested the number of hours for BLS/CPR be modified to “minimum of 2 hours, maximum of 4 hours”. Dr. McIlwain requested that “Live-Interactive” training be added back to the rule to allow licensees to get in-person continuing education credit for live-interactive online courses. Dr. Gray suggested using current terms of “synchronous” and “asynchronous” to describe types of training. Dr. Gray suggested a pre-determined percentage of licensees be audited annually and gave an example of 5% of all licensees. Director Strickland was asked what current protocol was being used to determine how many licensees are audited. He advised that staff normally audit 20 dentists and 20 dental hygienists that are randomly chosen using a computer-based number generator, which equates to less than half of 1% of all licensees annually. Director Strickland added that for the CE audit in 2023, the Board specifically identified any licensee that had not registered with CE Broker or had not uploaded the required number of continuing education hours to be audited by the staff. This resulted in a much larger number of licensees that were audited for the continuing education compliance.
 - After this discussion, the motion did not carry as presented.
 - Dr. Pischek made a motion to revise the proposed changes to incorporate “live-interactive” training; allow minimum of 2 hours, maximum of 4 hours for BLS training; add the terms “synchronous” and “asynchronous” into the language; and to bring the proposed rule back for final consideration at the Board’s September meeting. Dr. Gray seconded the motion. The motion passed with unanimous consent.
 - Alabama Administrative Code, r. 270-X-4-.09 “Criteria and Fees for Mobile Dental Facilities or Portable Dental Operations”
 - Director Strickland reminded the Board that a recent finding by the state examiners noted that the Board did not have statutory authority to waive licensing/permit fees, to include for charitable organizations (501(c)(3) groups). Mr. Dettling researched the statutes and board rules and determined that a simple change to the board rule would provide the board with the ability to waive fees for board-approved charitable events. The suggested change would include an emergency rule change to allow the Board to immediately approve a request to waive Portable Unit Permit fees from Team Smiles for an event scheduled in September 2024 where at least 300 children were to receive free dental care.
 - Director Strickland advised that the state examiners had been consulted regarding their finding and how it would adversely affect the upcoming event. The state examiners’ staff worked with board staff and Mr. Ingram and determined a solution

Board of Dental Examiners of Alabama

2229 Rocky Ridge Road, Birmingham, AL 35216

205.985.7267

www.dentalboard.org

that everyone agreed upon. The solution was to drop the costs of the fees to a nominal amount, which would not require an immediate board rule change.

- Dr. Williams made a motion to amend the Board’s fee schedule so as to collect a permit fee of \$1.00 for Mobile/Portable permits effective immediately. Dr. Jones seconded the motion. The motion passed with unanimous consent. The board members publicly thanked the state examiners for working with them to develop a solution to this unique issue.
- Mr. Dettling advised that he would continue to work on the current board rule to allow the Board the ability to waive fees for board-approved charitable events in the future; however, the emergency rule was no longer required. Director Strickland confirmed that the permit fee of \$1.00 would remain in effect until such time that Mr. Dettling’s proposed changes are approved by the Board and go into effect.
- Alabama Administrative Code, r. 270-X-2-.22 “Patient Records”
- Alabama Administrative Code, r. 270-X-2-.26 “Records Management” (New)
 - Mr. Dettling discussed proposed changes to this board rule that would provide definitive language as to what is required in patient records. He also introduced a new board rule regarding records management that would complement the existing patient records board rule. Dr. Dixon suggested having a 6-year retention period for patient records. She stated that the ADA has mentioned a 4-year retention in the past, but no longer provides guidance. Dr. Pischek suggested that a patient record should include any correspondence with a patient. Dr. McIlwain suggested requiring any images obtained and to require names of providers instead of initials in the records.
 - After receiving the feedback, Director Strickland advised that both of the proposed rules would be reintroduced at the September 2024 board meeting for the Board’s review and vote.

Director Strickland advised the Board that two members of the public requested to address them.

- Dr. Sanderson read a prepared statement regarding his thoughts on the current board staff, recent decisions by the Board, and his perception of discourse occurring within the Board.
- Dr. Swicord discussed his perception of the current state of the Board, the board staff, and the Alabama Dental Hygiene Program (ADHP).

Dr. Bennett presented the Wellness Report on behalf of Dr. Garver. During his presentation, Dr. Bennett advocated for Dr. Nolin Connell to be released from probation, which was part of a Monitoring Contract.

Director Strickland presented Dr. Connell’s request to have his Consent Order/Monitoring Contract amended to release him from probation. Dr. Connell has been on probation for 3 years

of a 5-year probation requirement. Dr. McIlwain made a motion to amend Dr. Connell's Consent Order/Monitoring Contract to release him from probation. Dr. Jones seconded the motion. The motion passed with unanimous consent with the Dental Hygiene member abstaining.

Director Strickland presented a request from Lisa Graham, RDH for a modification of her continuing education requirements to allow her to get all of her CE online. Ms. Graham suffered a significant fall and has been recovering from a shoulder injury. Ms. Alexander made a motion to allow Ms. Graham to complete all of her continuing education online on/before 12/31/2024. Dr. McIlwain seconded the motion. The motion passed with unanimous consent.

Director Strickland advised the Board of his receiving a question from an attorney representing a licensee. The question regarded how long a licensee's name remains on the Board's website under "Public Disciplinary Actions" (located under the "Public" tab). After a brief discussion, Dr. McIlwain made a motion to remove names after they had been posted for 12 months. Dr. Williams seconded the motion. The motion passed with unanimous consent.

Dr. Pischek called for a break at 9:15 a.m.

Dr. Pischek called the meeting to order at 9:30 a.m.

Director Strickland presented a request/question from Dr. Yartiza Wright regarding fill-in/locum tenes dental hygienists. The questions revolved around the board requirement of dental hygienists notifying the Board of clinic changes within 30 days of moving. During discussions, Mr. Dettling advised that he researched both the statute and current board rule and believes both need to be updated to meet the current work environment of dental hygienists. He believed that the statute has been unchanged since 1959. Mr. Dettling advised that he will work with Director Strickland and develop some proposed changes to the statute/board rule for the Board's consideration and a future board meeting.

Director Strickland presented an email remarks/questions from Dr. Mollie Helf concerning the proposed Botox board rule, ADHP, and the current Oral Conscious Sedation board rule. He advised that Dr. Helf was in attendance, but when asked, advised that she did not want to address the Board. Director Strickland turned the discussion over to Mr. Dettling to address Dr. Helf's specific questions regarding dentists being able to delegate certain Botox services to staff. Mr. Dettling advised that the current language in the proposed Botox rule is consistent with other states that allow dentists to provide Botox services. Dr. Helf was asked by Mr. Dettling for some additional information regarding her delegation questions. She referred to delegating to licensed estheticians or nurses. Mr. Dettling advised that the statutes contained within the practice acts for Cosmetology and Nursing did not allow those licensees to work under the direct supervision of a dentist relating to providing Botox services. Both examples would fall under the dental board's definition of a Dental Assistant and would be limited to the duties outlined in Alabama Administrative Code, r. 270-X-3-.10 "Duties of Allied Dental Personnel". Dr. Helf's email remarks regarding the ADHP and the current OCS rule were provided to the Board for their review and consideration.

Director Strickland presented the Board with a similar email request from Dr. Lauren Metzger regarding a dentist being able to delegate Botox services to a Nurse Practitioner. Mr. Dettling

advised that he believed that the same standards previously mentioned would apply to a nurse practitioner, but he would confirm.

Director Strickland presented a request from a current ADHP student who missed the first day of class due to a medical emergency with her child. He advised the Board that he advocated for the student to be able to remain in the program with Dr. Basma and Ms. Latham's support. Ms. Alexander made a motion to allow the student to remain in the program. Dr. Jones seconded the motion. The motion passed with unanimous consent.

Director Strickland presented a request to review a License by Regional Exam for an applicant that was pre-approved at the July 12, 2024 board meeting with a large group of other applicants. During the application process, it was discovered that the applicant had indicated on the application that they had no previous arrests or convictions; however, a previous arrest was found during the background check. The applicant was contacted and explained that the charges were dismissed after the completion of court-ordered requirements. The applicant didn't realize that the arrest still required documentation on the application. Director Strickland advised that he reviewed all of the documentation of the arrest and advocated for the applicant to be allowed to proceed with the licensing process. Ms. Alexander made a motion to allow the applicant to proceed with licensure. Dr. McIlwain seconded the motion. The motion passed with unanimous consent.

Director Strickland advised that Dr. Jones had been asked to serve on a sub-committee of the Alabama Department of Public Health (ADPH)/Oral Health Coalition of Alabama (OHCA). He asked the Board's approval for Dr. Jones to serve in that capacity. Dr. McIlwain made a motion to allow Dr. Jones to serve on the ADPH/OHCA sub-committee. Dr. Sims seconded the motion. The motion passed with unanimous consent with Dr. Jones abstaining.

Director Strickland presented the revised Complaint/Investigative Protocols for the Board's approval. The primary revision was the inclusion of a member of the anesthesia committee being assigned to board investigations of standard of care complaints that involve sedation or anesthesia. Dr. Sims made a motion to adopt the revised protocols. Dr. Gray seconded the motion. The motion passed with unanimous consent.

Dr. McIlwain discussed possible suggested revisions to the Oral Conscious Sedation (OCS) board rule that became effective on June 14, 2024. He suggested getting additional input from pediatric dentists to determine monitoring requirements for patients below the age of 13 and those above that age. Dr. McIlwain commented that the reimbursement rate from Medicaid is having an effect on pediatric dentists and their ability to utilize sedation. After a brief discussion, the Board acknowledged that they are not the appropriate agency to advocate for changes in reimbursement.

Dr. Pischek called for a break at 10:45 a.m.

Dr. Pischek called the meeting to order at 10:55 a.m.

Dr. Jones presented her report from the State Committee of Public Health (SCPH).

Dr. Jones presented her report from the National Council of Dentist Health Programs (NCDHP).

Dr. Jones presented her report from the Oral Health Coalition of Alabama (OHCA).

Director Strickland presented the proposed 2024-2025 Budget for the Board's review. He advised that revenues are expected to be down slightly; however, that loss will be offset by a reduction of expenses. Director Strickland advised that personnel costs are being maintained at approximately 38-39% of the overall budget even with the anticipated hiring of 1-2 additional staff members. He asked the Board to review the budget and send any questions to either Dr. Finn or himself prior to the September 2024 board meeting where the final budget will be voted on by the Board. After a brief discussion, Dr. Williams commended the staff's work on the budget. Director Strickland acknowledged the hard work completed by Dr. Finn and the Board's accounting firm (Mr. Driskell) in preparing the budget.

Director Strickland presented his Executive Director's Report.

- Licensing update from Mr. Hancock...of the pre-approved applicants from all of the dental hygiene schools/programs, 159 dental hygiene licenses have been issued to date.
- The state has finally approved Dr. Basma's revised contract for the ADHP-Educational Director's position. We are awaiting the final signatures.
- Building renovations are nearing completion on the current contract.
- The ADHP-Coordinator position has yet to be filled. Several applicants were offered the job, but did not want to work Monday-Friday or be required to come to the board office daily. Dr. Basma, Ms. Latham, Dr. Finn and I are working on developing a part-time position to get much needed assistance to the program.
- The proposed 2025 board meeting schedule has been provided to the board members for review with final approval at the September 2024 board meeting.
- The new Special Volunteer License will become effective October 1, 2024. Mr. Hancock has already received one inquiry interested in applying.
- Currently, the Board has received a total of 212 complaints, which includes 80 standard of care or similar cases and 12 adverse occurrences. The administrative cases primarily deal with expired licenses, permits, or DEA registrations.

Referencing the administrative cases, Dr. Dixon reminded the Board about several outstanding cases involving Halcion. Due to the recent discussion regarding whether or not Halcion should be used for Oral Conscious Sedation, Dr. Dixon requested guidance from the Board. Dr. Pischek appointed Dr. McIlwain, Dr. Sims, and Dr. Jones to form a sub-committee to research and develop a recommendation for the Board to review.

Dr. Pischek advised that SERTA and CRDTS were considering a merger and have requested proxies for an upcoming meeting and vote.

Dr. Holt Gray, BDEA Member

Public Statement, BDEA Meeting, August 16th, 2024

On June 14th, I signed my name to a letter that was emailed from this board to the dental licensees of Alabama.

It stated:

"We hope that the coming weeks and months will bring better engagement between the Board, our professional colleagues, and board staff."

With this hope I make this statement, not in haste, but after much thought and with a clear-eyed realization of the impact it may have.

Given the recent events and situation at hand, I feel an obligation to be transparent and share my personal opinion of our executive director. I stress I am not speaking for the other board members; each is entitled to their own opinion.

I simply do not trust our executive director, W. Blake Strickland.

Through my direct interactions with him first as a licensee, and then even more so, as a board member, combined with multiple accounts from dentists, hygienists, and leaders in our profession, Mr. Strickland has total lost my trust in numerous ways.

Additionally, I find Mr. Strickland's generalization of our profession with his recorded words, and I quote:

"Dentists are very vindictive, stab in the back kind of people that don't want to follow the rules,"

not only a fundamentally flawed view of our licensees, but slap in face to each one of us and my 125-year family tradition of competent dentistry in this state.

I want to share something I have learned the hard way with each of you. I, a board member elected by the licensed dentists of Alabama, will only communicate with Mr. Strickland, an employee of this board, in 2 ways.

- Written and documented email
- A public forum such as this

I have learned this approach helps protect me personally while continuing to allow me to effectively serve my elected duty. Each of you may want to do the same for any remainder of Mr. Strickland's employment with this board.

I request my entire statement, word for word, be made part of the August minutes. Thank you.
